

How to access Canopy videos

Canopy is a video service that is available through the [Regis University Library](#). This is a simple set of instructions explaining how to access it.

1. Click on the *Connect Now* button

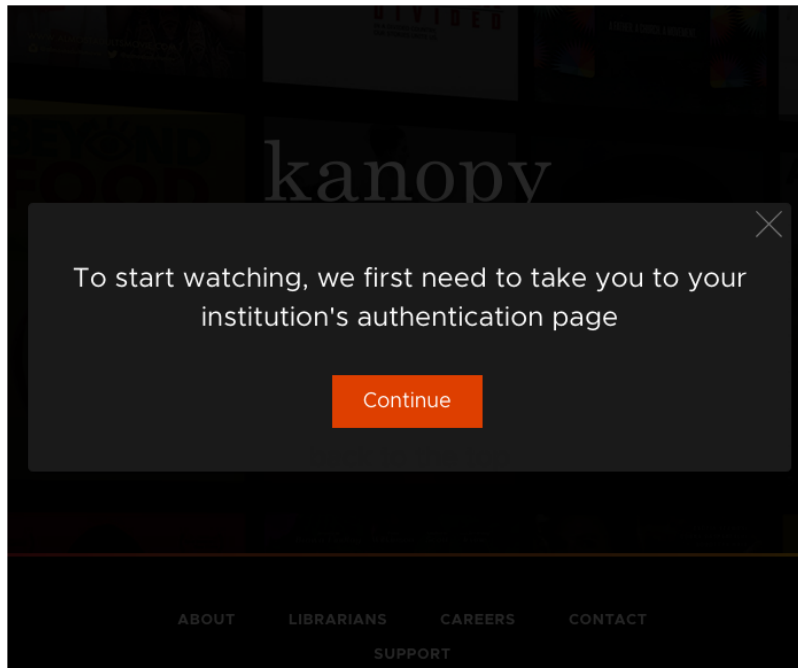

2. Enter your Regis University credentials just like you do when logging into Worldclass.

Week 5: Effects of the Industrial Revolution

Includes assessment.

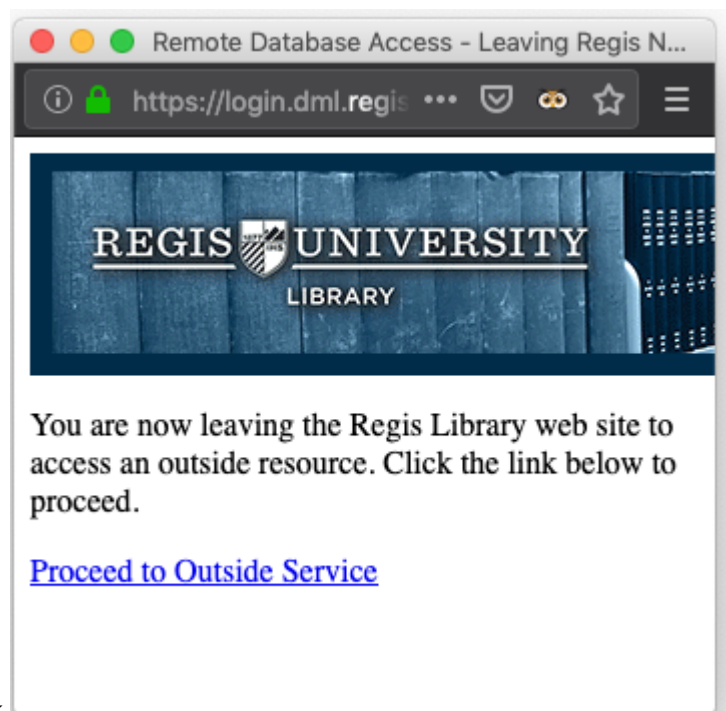

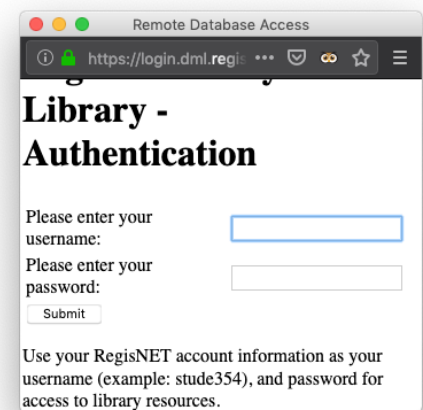

In the industrial revolution technological change resulted in far reaching societal changes. Please watch the following ~30 minute video then answer the following questions:

1. How did employment change as a result of the industrial revolution?
2. What were the effects of the IR on employment?
3. What societal changes resulted from the IR?
4. Do you think that the IR has lessons for us today? Support your argument.

Block content from this web address

Please write at least three paragraphs and cite your sources. Please submit your post by Sunday evening at midnight and come to class prepared to share your findings.

3. Click of the *Proceed to Outside Service* link

4. Click the *Play or Arrow* button
